

VAUGHN HILL ROAD EROSION CONTROL DESIGN

BOLTON, MA

PROJECT REFERENCE:
110 VAUGHN HILL ROAD
BOLTON, MA 01740

[DUCHARME & DILLIS CIVIL DESIGN GROUP, INC.](#) WAS RETAINED TO PROVIDE CONSULTATION FOR THIS COMPLEX EROSION CONTROL AND SLOPE STABILIZATION PROJECT IN BOLTON. AFTER A SIGNIFICANT RAINFALL EVENT, THE SLOPE BEHIND THIS SINGLE FAMILY HOME WASHED AWAY THREATENING THE STABILITY OF THE ON-SITE SEWAGE DISPOSAL SYSTEM AND THE INTEGRITY OF THE WETLAND RESOURCE AREAS AT THE BASE OF THE HILL.

CDG WORKED WITH THE PROPERTY OWNER, THE TOWN AND THE LOCAL BOARD OF HEALTH TO DESIGN AND OVERSEE THE INSTALLATION OF AN AESTHETICALLY PLEASING AND STRUCTURALLY SOUND RETAINING WALL MITIGATING FURTHER DAMAGE TO THE WETLAND RESOURCES AREAS AND STABILIZING THE ON-SITE SEWAGE DISPOSAL SYSTEM.
